

Ariano Irpino, 02/04/2020

Esteemed Customer,

With reference to Regulation (EU) n° 1907/2006 (REACH), we inform you that the supplied products are classified as “articles”.

As for the fulfillments required by this Regulation:

- 1) We comply with all the obligations under this Regulation.
- 2) We undertake to indicate whether the article meets all the restrictions contained in Annex XVII and/or it contains “extremely worrying” SVHC substances, in a concentration greater than 0.1% by weight, currently included in the “Candidate List” published on the ECHA website.
- 3) We undertake to provide all information for the safe use of articles containing SVHC substances.

SVHC substance contained in our articles:

Supplied article: fittings in AVP material

SVHC substance: lead (Pb)

CAS number: 7439-92-1

Concentration (% p/p): 0,31

Best Regards,  
**Technical Department**
