

REACH Directive

Lüdecke GmbH assures that all current information regarding REACH is known and all applicable provisions in relation to this Regulation are respected.

On June 6, 2018, an updated list of candidates was published in accordance with Article 59 (1, 10) of the Regulation (EC) No.1907 / 2006 (REACH) which, from that date, contains the substance lead / EC no. 231-100-4 / CAS-No. 7439-92-1.

Hereby fulfilling our information obligation, we point out that lead may be contained in our metallic components. Since most of our products are produced from metallic raw materials like brass, steel and stainless steel, it can be assumed that some products from Lüdecke have a lead content of over 0.1% unless otherwise indicated.

Since the products from Lüdecke are not intended for prolonged contact with the human body, it can be assumed that these are not harmful.

For any requests, please do not hesitate to contact us.

Kind regards
