

## NBR rubber sheet

### Satyr 50

<b>Quality:</b>	NBR/SBR
<b>Colour:</b>	Black
<b>Temperature range:</b>	-30° to +90°C
<b>Specific gravity:</b>	1,45 grs/cm <sup>3</sup>
<b>Hardness:</b>	50 Shore A +/- 5
<b>Tensile strength:</b>	4 Mpa
<b>Elongation at break:</b>	200%

**Features:** Widely used oil and grease resistant industrial rubber quality with good mechanical properties.

**Application:** Chemical industries, garages, workshops et cetera.
