EPDM RUBBER SHEETS

Manticore Eco flat sheets

Quality: EPDM

Colour: Black

Min. temperature: -30°C

Max. temperature: 90°C

Specific gravity: 1,45 grs/cm³

Hardness: 70 Shore A +/- 5

Tensile strength: 4 MPa

Elongation at break: 200%

Article code: EP7010

Features: Widely used weather and cold resistant industrial rubber quality with good mechanical properties and chemical resistance. Suitable for open air and good ozone resistance.

Application: Automotive industry, outdoor use and solar panels.
